

EGA Submission Account - Authorised Users

Please use this form to detail all users that should be granted permissions to upload data to your EGA box.

If you are using this form to update your submission account, please use the "Remove user" column to indicate any users who should no longer be allowed to upload data to your box.

Once the list is complete the lead PI for the submission box should sign off on the document and then the document PDF'd back to EGA helpdesk by emailing helpdesk@ega-archive.org
